

Noordwijkerhout, April 21 – 24, 2010

Sixth International Symposium on
**Measurement & Kinetics of
In Vivo Drug Effects**

CALL FOR POSTERS

Participants are invited to present posters on original research within the scope of this meeting. On our website: www.lacdr.nl you can tick the box and give an indication of the subject on your registration form.

Instructions for abstracts of posters:

Abstracts of posters should be in English.

Abstracts should be provided in a MS Word format.

Authors must take full responsibility for correctness, style, and grammar.

Abstracts should be sent by E-mail (e.devries@lacdr.leidenuniv.nl) to the Symposium Secretariat before **February 15, 2010**.

Abstract Lay-out:

The name(s) of the author(s) on a separate line; below the author(s) name, the complete address of the department/company should be typed; each paragraph should begin on a new line, with one blank line in between; references should be listed at the end of the abstract, each starting on a new line. Please list the names of all authors, title, journal, volume, first and last page, year.

Posters will be selected by the Organizing Committee. Notice of acceptance will be given to the first author before **March 1, 2010**, together with further instructions on poster presentation. The poster session is scheduled for: Thursday, April 22, 2010, 16.30-19.00 h, but posters are meant to remain mounted throughout the symposium. Participants are advised that the taking of photographs or the making of video recordings of posters will not be allowed.

Poster Lay-out:

Maximum size of your poster should be 120 x 90 cm. All posters should be in **Landscape** format. Font, type and additional lay-out is free
